Section 3 This section covers information about trips taken by one or more members of the household in the past 12 months that lasted at least one night away from home where a person/s did not receive any remuneration (did not make any profit) at that destination.
Note: People who went on business or professional trips do qualify for this section since they do not get paid at their destination.
Read out: Now I am going to ask some questions about trips undertaken in the past 12 months that lasted at least one night away from home for each household member.
