Statistics South Africa (Stats SA) is the government department, responsible for the collection, processing, analysis and interpretation of official statistics.

Purpose of the survey

The Survey of Food and Beverages is a new monthly survey covering a sample of enterprises operating in the formal food and beverages sector in South Africa. The results of the survey will be used to compile National Accounts aggregates (e.g. the Gross Domestic Product (GDP) and its components such as the Tourism Satellite Account (TSA) as well as private consumption expenditure), which are used to monitor and develop government policy. These statistics can also be used by the private sector in analyses of comparative business and industry performance. **The results will be published monthly.**

Collection authority

The information required is collected under section 16 of the Statistics Act, 1999 (Act No. 6 of 1999). Your co-operation is sought in completing and returning this questionnaire by the due date. **The provision of the information sought is compulsory.**

Confidentiality

According to section 17 of the Statistics Act, 1999 (Act No. 6 of 1999), your completed questionnaire remains confidential to Statistics South Africa (Stats SA). **Your responses are not shared with the South African Revenue Services.**

Due date

Please complete this questionnaire and return it in the business reply service envelope or fax it to Stats SA not later than **ten days after the end of the month.** It is recommended that you keep a copy for your use in case of a query.
