

# Youth in NCA

An aerial photograph of a wide river valley. A river flows from the top left, curves around a central hill, and then flows towards the bottom right. The hill in the center is covered in green vegetation and has a small village with several white buildings and a dirt road. The surrounding landscape consists of rolling hills and mountains under a cloudy sky. The river's banks are a mix of green and brown, indicating different types of vegetation and soil.

“The youth of today are the leaders of tomorrow.”

~ Nelson Mandela
