Expected release date

25 November 2009

KEY FINDINGS

The headline CPI (for all urban areas) annual inflation rate in September 2009 was 6,1%. This rate was 0,3 of a percentage point lower than the corresponding annual rate of 6,4% in August 2009. On average, prices increased by 0,4% between August 2009 and September 2009.

The **food and non-alcoholic beverages** index increased by 0,1% between August 2009 and September 2009. The annual rate decreased to 5,6% in September 2009 from 6,8% in August 2009. The monthly increase in the food and non-alcoholic beverages index was largely driven by monthly increases in vegetables (1,6%), other food (1,3%), fruit (0,9%), sugar, sweets and desserts (0,4%) and milk, eggs and cheese (0,3%). These increases were counteracted by monthly decreases in meat (-0,7%), bread and cereals (-0,4%), fish (-0,4%), hot beverages (-0,4%) and oils and fats (-0,1%).

The **housing and utilities** index increased by 0,6% between August 2009 and September 2009, mainly due to a 0,9% monthly increase in actual rentals for housing and a 0,9% monthly increase in owners' equivalent rent. The annual rate decreased to 7,6% in September 2009 from 7,8% in August 2009.

The **household contents and services** index increased by 0,1% between August 2009 and September 2009, mainly due to a 1,2% increase in domestic workers' wages. The annual rate decreased to 5,2% in September 2009 from 6,1% in August 2009.

The **transport** index increased by 0,7% between August 2009 and September 2009, mainly due to a 36c/l increase in the price of petrol. The annual rate increased to -1,3% in September 2009 from -2,7% in August 2009.

The **miscellaneous goods and services** index increased by 0,4% between August 2009 and September 2009, mainly due to a 12,2% increase in motor vehicle insurance. The annual rate decreased to 11,6% in September 2009 from 12,4% in August 2009.

The provinces with an annual inflation rate lower or equal to headline inflation were Eastern Cape (5,9%), Northern Cape (5,9%), Free State (5,9%), KwaZulu-Natal (5,8%), North West (5,6%) and Limpopo (5,3%). The provinces with an annual inflation rate higher than headline inflation were Mpumalanga (7,2%), Western Cape (6,3%) and Gauteng (6,3%).

NOTES

CPI for October 2009

As indicated in the planned schedule of price surveys, cricket tickets are surveyed in September. Stats SA understands that price changes in this item may be introduced during October 2009. Additional surveys for this item will be conducted in certain areas in October 2009 to capture these changes.

A breakdown of the indices for purchase of vehicles including new vehicles and used vehicles has been added as Table 20 in the additional tables.

GLOSSARY

A complete set of definitions is available in the methods and sources document on the Stats SA website <http://www.statssa.gov.za>

Annual inflation rate	The annual inflation rate is the change in the CPI for all items of the relevant month of the current year compared with the CPI for all items of the same month in the previous year expressed as a percentage.
Annual percentage change	The annual percentage change is the change in the index of the relevant month of the current year compared with the index of the same month in the previous year expressed as a percentage.
Average annual inflation rate	The average annual inflation rate is the change in the average CPI for all items of one year compared with the average CPI for all items of the previous year expressed as a percentage.
Average annual percentage change	The average annual percentage change is the change in the average index of one year compared with the average index of the previous year expressed as a percentage.
CPI for administered prices	An administered price is defined as the price of a product which is set consciously by an individual producer or group of producers and/or any price which can be determined or influenced by government, either directly or through a government agency/institution without reference to market forces. Products and services included are assessment rates, sanitary fees, refuse removal, water, electricity, paraffin, petrol, public transport – trains, motor licences, motor registration, telephone fees, postage, cell calls, television licence, school fees, university/technicons/colleges and university boarding fees.
CPI for regulated prices	Regulated prices are those administered prices that are monitored and controlled by government policy. To this end, price regulation does not necessarily imply the presence of an economic regulator, but the restriction on the extent to which prices may vary, depending on government's policy objective. Products and services included are water, electricity, paraffin, petrol, telephone fees, postage and cell calls.
Inflation rate	The inflation rate is the change in the CPI for all items of the relevant month of the current year compared with the CPI for all items of the same month in the previous year expressed as a percentage.
Monthly percentage change	The monthly percentage change is the change in the CPI of the relevant month compared with the CPI of the previous month expressed as a percentage.
CPI per expenditure quintile	quintile 1 - up to R 14 564; quintile 2 - R 14 565 up to R 23 278; quintile 3 - R 23 279 up to R 36 755; quintile 4 - R 36 756 up to R 79 152; and quintile 5 - R 79 153 and more.

FOR MORE INFORMATION

Stats SA publishes approximately 300 different releases each year. It is not economically viable to produce them in more than one of South Africa's eleven official languages. Since the releases are used extensively, not only locally but also by international economic and social-scientific communities, Stats SA releases are published in English only.

Stats SA has copyright on this publication. Users may apply the information as they wish, provided that they acknowledge Stats SA as the source of the basic data wherever they process, apply, utilise, publish or distribute the data: and also that they specify that the relevant application and analysis (where applicable) result from their own processing of data.

Advance release calendar

An advance release calendar is disseminated on <http://www.statssa.gov.za>

Forthcoming issues
