Statistician-General: Statistics South Africa

A complete set of Stats SA publications is available in the Stats SA Library,
and in the following public libraries:

State Library, Pretoria	Library of Parliament, Cape Town
South African Library, Cape Town	Bloemfontein Public Library
Natal Society Library, Pietermaritzburg	Johannesburg Public Library
Central Reference Library, Mmabatho	Central Regional Library, Pietersburg
Central Reference Library, Nelspruit	Central Reference Collection, Kimberley
Eastern Cape Library Services, King William's Town	

NEW VEHICLES REGISTERED SHOW A SUBSTANTIAL DECREASE

The total number of new vehicles registered during October 1996 (8 219) in the provinces of North-West and Gauteng shows a substantial decrease of 39,7% compared with October 1995 (13 637). It also shows a decrease of 8,6% compared with September 1996 (8 988).

A total of 5 231 new motor cars were registered during October 1996. Of this total, Toyota showed the highest number of registrations, namely 1 235, followed by Volkswagen (1 036), Ford (498), Mazda/Mitsubishi (367) and Fiat and Delta both with

292. Regarding new commercial vehicles registered in October 1996 (1 871), Toyota showed the highest number, namely 469, followed by Nissan (363), Mazda/Mitsubishi (349), Delta (345) and Ford (154).

Used vehicles registered during October 1996 (24 004) in the two provinces showed a large decrease of 20,7% compared with October 1995 and a decrease of 4,6% compared with September 1996.

* The statistics, however, exclude the following areas:

- the parts of the former Cape Province and Bophuthatswana in North-West;
- the former KwaNdebele, KaNgwane and that part of the former Bophuthatswana in Mpumalanga.

Particulars in respect of the Free State, KwaZulu/Natal and the former Cape Province, Transkei and Ciskei are not available. Preparations are currently being made to obtain the information from the centralised transport informationsystem (NaTIS) managed by the Department of Transport.

Particulars in respect of the Northern Province, Mpumalanga and Pretoria are incorporated in the NaTIS data and are unfortunately not available for inclusion in this statistical release. For comparison purposes, particulars in respect of the Northern Province, Mpumalanga and Pretoria are therefore excluded for previous periods in this release.

Particulars in respect of the Northern Province up to May 1996 (excluding

Pietersburg in May 1996), Pretoria up to July 1996 and Mpumalanga up to September 1996 were included in the previous issues of the P7151.3 release.

Particulars in respect of Randburg, Germiston, Kempton Park and Roodepoort in Gauteng are incorporated in the NaTIS data as from October 1996 but have (for comparison purposes) been estimated in this statistical release.
