Statistician-General: Statistics South Africa

A complete set of Stats SA publications is available in the Stats SA Library,
and in the following public libraries:

State Library, Pretoria	Library of Parliament, Cape Town
South African Library, Cape Town	Bloemfontein Public Library
Natal Society Library, Pietermaritzburg	Johannesburg Public Library
Central Reference Library, Mmabatho	Central Regional Library, Pietersburg
Central Reference Library, Nelspruit	Central Reference Collection, Kimberley
Eastern Cape Library Services, King William's Town	

NEW VEHICLES REGISTERED SHOW A SUBSTANTIAL DECREASE

The total number of new vehicles registered during September 1996 (9 977) in the provinces of North-West, Gauteng and Mpumalanga shows a substantial decrease of 39,0% compared with September 1995 (16 350). It also shows a marked decrease of 29,2% compared with August 1996 (14 098).

A total of 6 130 new motor cars were registered during September 1996. Of this total, Toyota showed the highest number of registrations, namely 1 419, followed by Volkswagen (1 130), Ford (609), Mazda/Mitsubishi (475), Delta (421) and Hyundai (364). Regarding new commercial vehicles registered in September 1996 (2 328), Toyota showed the highest number, namely 671, followed by Nissan (424), Mazda/Mitsubishi (396), Delta (386) and Ford (225).

Three times more used vehicles (27 937) were registered in the three provinces during September 1996 than the number of new vehicles (9 977). Used vehicles registered showed a decrease of 21,5% compared with September 1995 and a decrease of 17,2% compared with August 1996.

* The statistics, however, exclude the following areas:

- the parts of the former Cape Province and Bophuthatswana in North-West;
- the former KwaNdebele, KaNgwane and that part of the former Bophuthatswana in Mpumalanga.

Particulars in respect of the Free State, KwaZulu/Natal and the former Cape Province, Transkei and Ciskei are not available. Preparations are currently being made to obtain the information from the centralised transport information system (NaTIS) managed by the Department of Transport.

Particulars in respect of the Northern Province and Pretoria are incorporated in the NaTIS data as from June and July 1996 respectively and are unfortunately not available for inclusion in this statistical release. For comparison purposes, particulars in respect of the Northern Province and Pretoria are therefore excluded for previous periods in this release.

Particulars in respect of the Northern Province up to May 1996 (excluding

Pietersburg in May 1996) and Pretoria up to July 1996 were included in the previous issues of the P7151.3 release.

Particulars in respect of Nelspruit, Barberton, Witrivier, Pelgrimsrus and Lydenburg in Mpumalanga are incorporated in the NaTIS data as from September 1996 and have (for comparison purposes) been estimated in this statistical release.
