

# Statistics South Africa Bursary Scheme 2014

Statistics South Africa (Stats SA) has established a bursary scheme to offer financial assistance for qualifying applicants to undertake full-time study at any South African university in the following fields:

- BSc – Computer Science or Mathematical Statistics
- BCom – Economics, Accounting or Statistics
- BA – Geography (majoring in GIS), Demography or Population Studies

## Eligibility

### School leavers

- Only SA citizens aged 17–21
- Applicants should have a minimum Achievement Level 5 in Mathematics.
- University acceptance letter.
- Applicants should have a minimum of 65% aggregate.

### University students

- Only SA citizens aged 17–21, who are currently doing 1<sup>st</sup> and 2<sup>nd</sup> year undergraduate studies.
- Applicants should have a minimum of 60% pass rate on all their major courses.

## Requirements

Application forms are available from the Stats SA website ([www.statssa.gov.za](http://www.statssa.gov.za)) and at any Stats SA provincial office. Late, incomplete or unsigned application forms will not be accepted. Completed application forms, CV, certified ID copy and qualifications/grade 12 certificate, may be delivered to: Statistics South Africa, 170 Thabo Sehume Street, Pretoria or posted to Nozibele Maso, Human Capacity Development, Statistics South Africa, Private Bag X44, Pretoria 0001.

## Award notification

Successful applicants will be notified about their award status on or before 30 January 2014.

For any enquiries please contact: Exten Makwela at 082 888 2484, [extenm@statssa.gov.za](mailto:extenm@statssa.gov.za) or Nozibele Maso at 012 310 4855

**Closing date: 10 January 2014**
